CAMERON, MILAM COUNTY TEXAS, THURSDAY, AUGUST 13, 1959

10 PAGES TODAY

With
F M L
Ol' 100

Cameron area youth are again bringing honors to Milam County, both on a regional and national scale.

Milam's own Bill Pagach is in Washington this week competing with the best U. S. teen-age drivers for college scholarships.

A special release to The Herald points up the honors coming his way. He presented symbols of Texas to President Eisenhower at the White House and toured the capital as one of the 49 honored guests of the U. S. Junior Chamber.

100-100-100

Closer to home Scouts Lewis Abel, Don Abel and Larry and Bobby Schiller joined in a national Boy Scout project to bring a Friendship Torch from Mexico City to Chicago for the Pan American games.

They carried the torch about two miles in the Troy vicinity.

Lewis is a first class Scout, a candidate for the Order of the Arrow, an honor camper society.

100-100-100

If these youngsters are not representing Cameron and Milam County in the finest fashion anyone could expect to teen-agers, I toss my sombrero into Little River.

They are proving again and again that what adults need to do is help them find the worthwhile projects that interest them. They will do the rest. And from the examples these boys set, that means a lot.

Kids will be as constructive as their adults want them to be.

I hope Cameron and Milam County will continue to back their youngsters in a fire-up Scout program, a touted driving program and improved school facilities throughout the county.

00-100-100

It proves that merit begins at home and we should not overlook any opportunity to honor youthful merit and strive to keep these kids in the Milam area.

B. F. Grimes Is Oil Company Agent For Milam Area

Billy F. Grimes, formerly of Livingston, has assumed control of the county Humble Oil wholesale distribution area as commission bulk agent.

He told The Herald that the Milam County wholesale franchise is on operation independent of direct company control. It was formerly a company bulk station. He succeeds company representatives A. B. Covey, area Humble sales manager, and John Florida, Milam sales manager, who are working with Humble in Hearne.

Grimes has been a sales representative of Humble Oil since 1947. He served three years in the U. S. Army in World War II with 20 months in Europe.

The Grimes have moved into a residence at 1100 E. 10th St., formerly the G. W. McLain home.

They have three children: Kathy 13; Billie Lou, 10, and Robert 5. Grimes said he sincerely appreciated the friendly welcome extended him and his family upon their recent move to Cameron.

"This is truly a friendly city," he said.

Mr. and Mrs. Grimes are members of the Methodist Church.

Backholts To Begin Football Practice

The Backholts High School Badgers will begin their Six-Man Football practice on Monday, August 17 at 7 p.m.

Coach Lester Henke urges all players to be present for this first practice session.

WHITE HOUSE GIFT — Cameron's Bill Pagach, this city's national entry in the U. S. Jaycee Road-e-o contest presents Presidential Assistant Homer Gruenther a lariat and sombrero in Washington, D. C. Gruenther, left, accepted the Texas Road-e-o champion's

presentation on behalf of President Eisenhower Monday at the White House. A delegation of the national driving finalists, still competing for college scholarships today, visited the White House and shook hands with the President.

Pagach Driving In U. S. Teen-Age Road-e-o Finals

WASHINGTON—Top teen age drivers from throughout the U. S., including the newest states of Alaska and Hawaii, today were "pointing" toward \$4500 in college scholarships and title of "Champion U. S. Teenage Driver."

Monday marked the first day of the eighth annual National Teen Age Safe Driving Road-e-o which runs until this afternoon. The youthful participants are being thoroughly tested on every phase of driving ability and "carmanship."

Cameron's Bill Pagach, Rt. 3, Rosebud, is among the contestants.

The young drivers are subjected to a series of six tests on their driving attitudes and skills under real and simulated traffic and road conditions. Each of the tests carries a point value, with a total of 1000 points representing a perfect

score for all tests.

Point scores of the contestants are a closely guarded secret and will not be announced until tonight's banquet at which time names of the top three winners will be released.

905 Top Score

In the past seven years of the National Teenage Road-e-o, the average score for the top winner has been 845 points out of a possible 1000. Highest score ever posted was turned in last year by the 1958 first place winner, Edward Smith of Silver Spring, Maryland, who racked up a 905 point total.

The Statler-Hilton is headquarters for the U. S. Junior Chamber of Commerce-conducted Road-e-o.

First day's activities were topped by a visit by the young drivers to

the White House where President Eisenhower greeted them individually with a welcoming handshake and received in return a white, Road-e-o insignia emblazoned jacket, similar to those worn during the event by the participants.

Texas Presents

Pagach presented the Texas emblem to a presidential aide when he gave a Texas lariat and cowboy hat to Presidential Assistant Homer Gruenther.

The Milam County lad left Waco by plane Sunday for Washington and was met by Jaycee leaders for a round of festivities including the White House visit prior to the driving contest that will give the winner a \$2,000 college scholarship.

He will return to Cameron Friday and will probably be met by a group of Cameron Jaycees, according to President John Schigut.

Your 7-Day Forecast...

Here's Week's Weather

Copyright, 1959

The Herald's weatherman was a bit embarrassed by unpredictable rains over the week end but came up with accurate calls the rest of the way.

Here is weather for August 13-20 inclusive.

A moist area of high pressure in the Gulf of Mexico is circulating warm tropical air across the

Central Texas plains and humidities continue to rise with temperatures. The area of high pressure in the Gulf is resisting the advances of cooler air from the Panhandle and will continue to do so until the end of the period when widely scattered afternoon showers and high humidity will be replaced with a little cooler temperature and a few heavy thundershowers.

A weak low pressure disturbance now in the headwaters of the Rio Grande is expected to reach central Texas, accompanied by a weak

cool front and the previously northeast thundershowers by late in the forecast period.

THURSDAY: Low morning clouds and light Southeast winds 8-10 mph rising to 14-16 mph in the early afternoon and diminishing after dark. Clouds lifting shortly after 9:30 a.m. and becoming scattered cloud build-ups and light showers mostly to the east. High 97-99. Low 74-75.

FRIDAY: Low clouds forming shortly before sunrise and dissipating shortly after with brisk southerly winds 12-16 mph. Rising humidity. Cloud build-ups and light showers in the afternoon. Slightly higher temperatures. High 99-101. Low 76-78.

SATURDAY: Warm and humid with patches of low morning clouds. Light morning winds Southeast 8-10 mph rising to 16-18 mph in the afternoon. Sunny in the late morning and early afternoon with scattered showers near sundown. Clearing thereafter. High 75-77. Low 70-72.

SUNDAY: Not quite so warm with light morning showers and afternoon thundershowers. South winds 12-16 shifting to Northeast 18-22 in thundershowers (occasionally 35-45 mph in heavier thundershowers) skies clearing by mid evening. High 82-82. Low 69-72.

MONDAY: Partly cloudy in the morning with Northeast winds 8-12 mph rest of the day. Clearing in the late morning and early afternoon. Winds becoming light and variable by sundown. High 92-96. Low 70-72.

TUESDAY: Continued light winds and sunny skies with falling humidity and slowly rising temperatures. High 92-96. Low 72-74.

WEDNESDAY: Winds shifting to East-southeast 8 mph in the morning and rising to 12-14 during the day. SEE WEATHER - Page 10

3 Milam Collisions Net Three Injured

Survey To Begin On Elm Creek In Late August

Congress has set aside \$75,000 for the planning survey of Elm Creek which will begin the last week in August and will take approximately eight months to complete.

Officials said that preliminary estimates indicate that the final plan will include structural works of improvement costing six million dollars.

Committeemen are now in the process of securing permission from all the landowners on Elm Creek and its tributaries for the planning crew to come on their place. The survey crew will be SCS personnel and has been trained to respect all property. It would be of great assistance if landowners in this area would contact one of their local committeemen officials.

Local committeemen in this area are Bartie Crennan, Albert Matula, Roy Hensley, Ladis Slavik and Buster Griffin.

Full cooperation with the crew is needed as each state has only one planning crew and Texas has more than one hundred fifty applications on file with the State Board, officials report.

Vacation Bible School Ends Friday At Methodist Church

Vacation Bible School will end tomorrow for children aged 4 through 11 at the Methodist Church in Cameron. Mrs. Stanley Fikes, Bible School Superintendent, said that there would not be a special program at the close of Bible School this year, but she added that parents were urged to visit and observe the vacation school activities.

Bible school workers are: Mrs. Don Jeter, leader of the junior department with Mrs. Wiley Loughmiller, Betty Kestenbaum and Sandra Smith assisting; Mrs. Horace Knight, primary department leader assisted by Mrs. E. O. Smith, Mrs. Monroe Corbin, Mrs. Jack DuBois, Mrs. A. T. Johnson, Diann DuBois and Linda Tucker. Mrs. Louis McKee is in charge of the 5 year olds assisted by Mrs. E. J. Davis and Mrs. Gus Evans. Mrs. Forrest Sapp is leader for the 4 year old group with Mrs. Richard Wilkinson, Kay Camp, Pam Green and Carol Ann Wilson assisting. Mrs. Lewis Rylander has worked as assistant to Mrs. Fikes.

School Plans Set...

2 Coaches Hired

The Cameron School Board Friday in special session hired two new coaches and an English teacher as a regular session tonight was set for further teacher employment.

Employed were: COACH Max Treadwell as B-team football coach and baseball mentor. He is a graduate of Lawn Morris Junior College, Jacksonville, and Stephen F. Austin State College.

He coached two years at Kingsville High School and three years at a Corpus Christi junior high school. He is married and has one daughter.

COACH Harrison McLerran as C-team mentor and Ada Henderson teacher. McLerran has served as teacher and principal at Maysfield school and other area schools.

Construction Work Forges Ahead On E. 10th, Jackson

Construction work continued in East Cameron this week as workmen were paving E. 10th St. and heading for North Jackson.

City officials told The Herald that the 48-inch waterline would be replaced along North Jackson from E. Sixth to E. Seventh prior to paving that block.

But curbing work was full steam ahead along North Jackson prior to moving asphalt paving equipment onto the 12 block project site.

Paving was scheduled to be complete on E. 10th St. this week after several weeks work on grade and curb and gutter.

When completed, the project will add about 15 blocks of paved streets to Cameron's list and clear the way for further work anticipated with a major 1959-60 budget allocation for streetwork.

Paul Kunz Enrolled In Driver Education

DENTON—Paul A. Kunz of Cameron is one of 19 teachers and prospective teachers enrolled in a special driver education class at North Texas State College for the second summer term.

Seven members of the group have been awarded scholarships for the study by the All State Foundation.

Kunz, son of Mr. and Mrs. August G. Kunz, 1209 N. Main, coaches at Bruni High School. He is working toward his master of education degree.

None Killed In Rash Of Wrecks; \$2,600 Auto Loss

Three multiple-vehicle collisions injured three persons, almost demolished two autos and tallied an estimated \$2,600 damage during the past seven days on Milam roads.

The rash of accidents started about 8:50 a.m. last Thursday when a car driven by Deputy Sheriff Douglas Barron was in collision with a semi-butane truck on the US 77 bridge east of Cameron.

State Patrolman Jack Straley reported that a truck driven by Leslie Hilton Benham, 33, Canyon, struck the deputy's car from the rear, pushing it some 100 feet along the catwalk of the bridge, scraping the 1955 Chevrolet against the railing.

"Could Have Rolled" Sheriff Carl Black, a front seat passenger, told The Herald that the truck could have rolled over the car if it had caught on the railing.

Barron, Black and Julian Baskin, all of Cameron, escaped serious injury, suffering only bruises.

The Chevrolet, owned by Black, was rated a total loss. Damage to the Taylor & Evans Farm Store truck was set at \$200.

The accident was not complete until a second semi-truck driven by Ezra Howard, Houston, crashed into the rear of the butane truck, causing about \$150 brake damage.

All three vehicles were going east on US 77.

Straley ticketed both truck drivers for exceeding a safe speed. Another accident Sunday night on SH 36 sent three persons to Cameron hospitals.

Cars driven by H. B. McClellan, 503 N. Houston and Dr. R. H. Jackson collided about six miles east of Cameron while McClellan was turning off SH 36. Jackson's vehicle also was going east.

McClellan is in Newton Hospital with a broken collar bone and two broken ribs, officials said.

Dr. Jackson's wife and baby were released by medical authorities that night and returned to Baytown with the rest of the family that included three other children.

Damage to the McClellan Chevrolet was estimated at \$600 and to the doctor's Dodge stationwagon at \$1125.

Third Collision

In still another collision 6 p.m. Monday, vehicles driven by Dr. S. H. Richardson, Cameron, and Alton James Moraw collided at the intersection of FM 486 and US 77 about five miles north of Cameron.

SEE WRECKS - Page 10

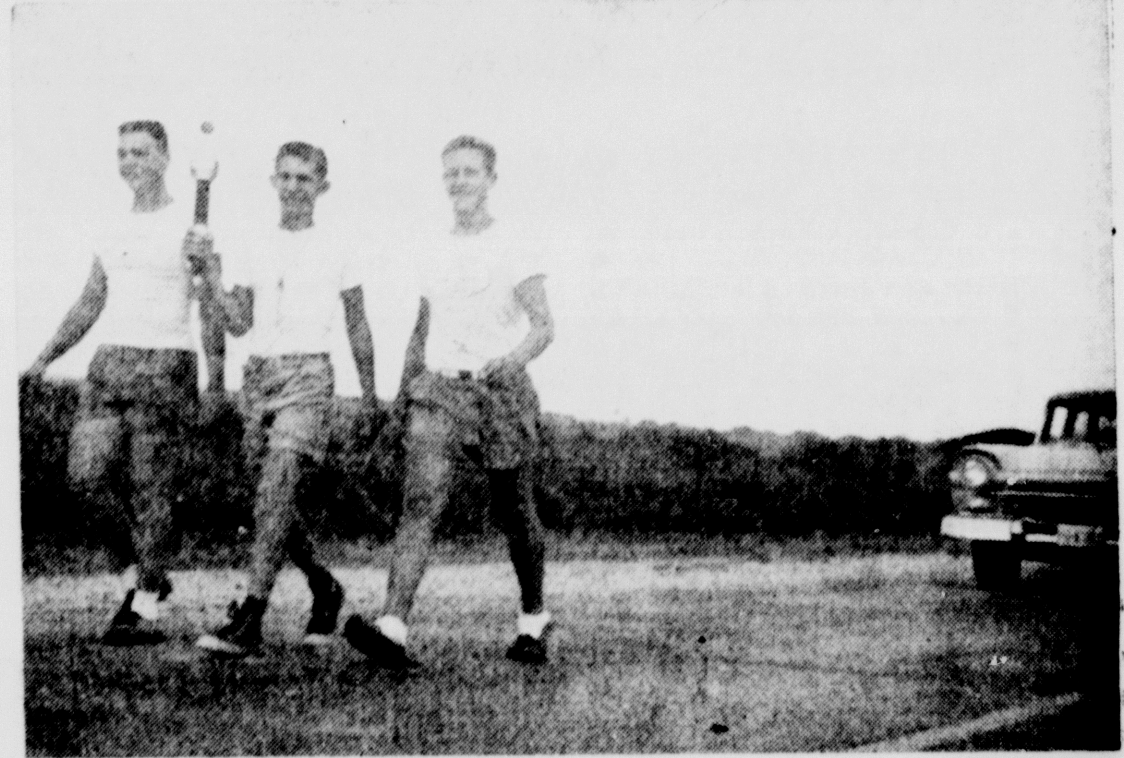

Presbyterian VBS To Start Monday

The Presbyterian Vacation Bible School will be held August 17 through 21 from 8:30 a.m. until 11:00 a.m. Children 4 years old through the sixth grade are invited to attend.

Bible School teachers are: Kindergarten, Mrs. Charles Brady, Mrs. McElwraith, Mrs. D. C. James, Kathy Schofield and Sherry Lynn Kubes; Primary: Mrs. Charles Hensley, Peggy Hightower, and Karen Adams; and in the Junior Department: Mrs. Mary Jo Maddox, Mary Jane Vogelsang, and Frances Jackson.

INTERNATIONAL TORCH — Lewis Abel, center, Cameron Boy Scout, carries the Boy Scout Friendship torch along the way to Chicago. Along with him are two unidentified Scouts that treked part of two miles on the torch's trip from Mexico City to the Chicago

Pan American Games. Honor Scout Abel, Larry and Bobby Schiller and Don Abel carried the torch from Troy north to a pickup point where other area Scouts took over. The Games were held in Mexico City last year. Local Scout leaders assisted in the honor trip.

Sharp: Pvt. S. N. Caffey Visits Parents

By Mrs. Florence Spiegel

Pvt. Sanford N. Caffey, son of Mr. and Mrs. Ralph Caffey of Sharp has completed his basic training at Fort Leonardwood, Mo., and after a 14-day leave with his family will report to Fort Knox, Kentucky.

Mr. and Mrs. Claud Merriman and her mother, Mrs. Sophie Kohn have been guests from Houston of Mrs. Max Rinn and Miss Agnes Rinn.

Mrs. Cecil Middleton and Maclyn and Patti of Odessa and L. N. McDonald home.

Mrs. Frank Gamble is spending several weeks with her daughter, Mrs. Harry Kathauser and family in Brenham.

Mr. and Mrs. Herbert Schroeder and children recently visited their parents, Mr. and Mrs. Geo. L. Schroeder.

Mrs. Lawless Wolfe of Heidenheimer was a recent guest of her family, the H. F. Langes.

Mr. and Mrs. O. F. Mueck of Palestine are visiting his brother, and wife, Mr. and Mrs. Oscar Mueck.

Deborah Lynn and Donald Glenn Daniel of Austin are visiting their grand parents, Mr. and Mrs. Jack Daniel, while their parents, the Bobby Daniels are vacationing in New Orleans, La.

Mr. and Mrs. John Dewey Pope Jr. of Austin spent Friday and Saturday with their parents, the

Farmers Entitled To Gas Tax Refunds File Claim Now

Farmers who are entitled to gas tax refunds are again reminded by R. L. Phinney, District Director at Austin, to file claim with the Internal Revenue Service before September 30.

Farmers filing these claims should use Form 2240 for 1959. Claims made on the obsolete 1958 form are being returned to taxpayers with a 1959 form and a request to refile.

When obtaining forms and instruction sheets from county agents or other offices, farmers should be sure to get Form 2240 for 1959 and not for 1958.

Only one claim is required for all purchases, Phinney added.

Jones Prairie: Houston Guests Vacationing With Julian Burnetts

By Mrs. S. S. Hickman

Mrs. C. W. Adams of Houston is spending her vacation with her sister and brother-in-law, Mr. and Mrs. Julian Burnett.

Mr. and Mrs. Walter Senkel visited their daughter and family, Mr. and Mrs. Curtis Phipps of Austin over the week end.

Mrs. Victor Huguen and two sons James Frank and Jon joined by Mrs. Kenneth Thweatt of Mayfield were Waco visitors Monday.

Mrs. Jerry Blasenz of Calvert and Mrs. Lorraine Storey were Wednesday dinner guests of Mr. and Mrs. H. P. McKinney.

Mrs. J. A. Jamison and daughter Louise visited Mr. and Mrs. Bailey Jones of Rosebud the past Monday.

Mr. and Mrs. Brad Fuller and family of Dallas were week end guests of her parents, Mr. and Mrs. Jack Pond.

Mr. and Mrs. Tommy Eichinger and children, Larry and Donna spent Thursday with her parents, Mr. and Mrs. Louis Lucko of Walkers Creek.

Mrs. A. L. Burnett was a guest of her daughter, Mrs. Nadine Parker of Rockdale the past week.

Mr. and Mrs. Leroy Lynch of the Powers Chapel Community visited her mother, Mrs. Buck White Sunday.

Ben Arnold: Community Night To Be Held Friday At School Grounds

By Mrs. A. T. Swanzy

We will have community night again this week at the school grounds. Everyone is invited to come out and join us.

Mr. and Mrs. Richard Heugatter, Wayne, Leslie and Larry of Houston spent last week in the home of Mr. and Mrs. Walter Strickler.

Mr. and Mrs. Roy Garrett, Sandra, Gwen, Brenda, Susan, Debbie and Mike of Victoria visited here and in Bryan last week end. Returning to their homes here with the Garretts were William Sweet and Donnie Swanzy who had been visiting in Nordheim and Victoria.

Mr. and Mrs. Robert Lee Schuetz and Brenda of Temple visited Mr. and Mrs. M. D. Swanzy Sunday.

Mr. and Mrs. Albert Swanzy, James and Donna of Belton were Thursday night guests of Mr. and Mrs. M. D. Swanzy.

Mrs. Laura Zander spent a few days of last week in Belton in the home of Mr. and Mrs. Albert Swanzy and family.

Floyd Swanzy, Rosebud; Robert Lee Schuetz, Temple; M. D. Swanzy and Sonny Swanzy attend Frank McMillan in Calvert last Sunday afternoon.

Mrs. Wildgrube Dies After Long Illness; Rites Held Tuesday

Funeral services were held 4 p. m. Tuesday for Mrs. Edwin Wildgrube at the Assembly of God Church. Mrs. Wildgrube died Monday afternoon after a lengthy illness. She was 50.

The Rev. B. L. Laughlin officiated at the services and burial was in Oak Hill Cemetery.

Mrs. Wildgrube was born and reared in Milam County and was a member of the Assembly of God Church.

Survivors are her husband, Edwin Wildgrube, Cameron; one daughter, Mrs. Clara Nell Michalka, Cameron; one grandchild; three sisters, Mrs. H. J. Kuhn, Rosebud; Mrs. A. L. Barker, Austin; Mrs. Charles McCurry, Merced, Calif.; three brothers, Preston Armstrong, Cecil Armstrong and Andy Armstrong, all of Cameron.

Mud Flap Law Enforced Monday

Monday, a new law requiring mud flaps on the rear of dual wheel vehicles at all times went into effect according to Rep. Herman Yezak.

Commercial vehicle operators will be affected. Highway patrolmen have been instructed to start filing complaints for such violations.

This new law replaced an old law which required mud flaps only in rainy weather. Representative Herman Yezak reports that this new law is designed to protect the windshields and lights of vehicles following trucks and trailers.

Burlington:

First Cotton Bale Received

By Mrs. George Logan

Burlington received its first bale of cotton last Friday according to Pete Benesh. The bale was brought in by Mr. E. B. Yeager of Jones Prairie. It was 1900 lbs, 960 seed, and 530 was bale weight, \$40 for seed.

Mr. and Mrs. Johnny Fox of Waco spent the week end with her brother, Mr. and Mrs. Herbert Engbrock and son here.

Mr. and Mrs. Leonard Doskocil are the parents of a girl, Diane Marie born August 3.

Mr. and Mrs. Melvin Davis of Waco visited relatives here Sunday. They were accompanied home by Miss Betty Rae Mayer who spent a week with them.

Mrs. Pete Benesh was a patient in Newton Memorial Hospital for a few days. Her conditions has improved and she is home.

Mr. and Mrs. Billie Wayne Marek of Dallas spent the week end here with his mother, Mrs. Aletha Marek and other relatives.

Mrs. H. Lorenz entertained the 42 Club at her home here August 4. After games refreshments were served.

Mr. and Mrs. Charlie Litzman spent last weekend in Austin with their daughter, Mr. and Mrs. Charles Garner and baby.

Mrs. Fritz Wied accompanied her grandchildren, Betty and Peggy O'Neill to their home in Waco after entertaining little Bobby Wied at her home with a birthday party.

Miss Ruth Barkemeyer of Dallas spent last week end here with her parents, Mr. and Mrs. George Barkemeyer and family.

Mr. and Mrs. Harry Chollett and sons of Waco spent Sunday here with Harry's parents, Mr. and Mrs. Elo Chollett.

Mr. and Mrs. Elo Chollett visited

Koenig Serving On USS Shagit

Darrell D. Koenig, electrician mate third class, USN, son of Mr. and Mrs. Bennie Wengill of Bushdale and grandson of Mr. and Mrs. Ben F. Kraatz of Tracy, serving aboard the attack cargo ship USS Shagit, has returned to San Diego after a two week cruise to Acapulco, Mexico.

their daughter, Mr. and Mrs. Wilfert Kurtz and family at Holland recently.

Mrs. Melvin Gerengross, daughter of Mr. and Mrs. Elo Chollett is recuperating nicely at her home at Temple Rt. 3, from a recent illness in a Temple hospital.

Sam Wright of Presidio was at Burlington and Rosebud and Barclay on Saturday.

Mr. and Mrs. Arthur Davenport and family and Mr. and Mrs. John Orsak and family spent some time recently at Buchanan Dam on an outing.

Mr. and Mrs. Woodrow Wright of Houston were in Burlington, Cameron and Rosebud, with relatives recently.

Mrs. George Logan received a card from Mrs. Ray Schonhoef from Kansas City, Mo. saying she was having a wonderful vacation.

Miss Frances Schulz of Killeen who visited her grandparents, Mr. and Mrs. Luther Vickers of Rosebud spent part of the time with her grandparents, Mr. and Mrs. Herman Schulz here and attended Milam County Baptist Workers Conference at Burlington Baptist Church.

Mr. and Mrs. Philip Ermis and children of Marshall visited her parents, Mr. and Mrs. Phil Krause and Judy here last week end.

Connie Lynn Dillenburg of Houston are spending some time here with their grandmother, Mrs. Mary Martin and Hugh and other relatives.

Those on the sick list have been Mr. L.W. Sample and Mr. Ollie Mode.

Rev. Robert Bayles filled his regular appointment at the Baptist Church Sunday and Sunday night.

Tracy: Mrs. Charles Attends State Farm Bureau Institute In Dallas

By Mrs. Florence Spiegel

Mrs. Berenice Charles attended the State Farm Bureau Institute in Dallas August 2-5.

She was a house guest of Mr. and Mrs. C. E. Meadows.

Mr. and Mrs. James Mullinax and Jimmy and Ricky of Houston are guests of their family, the Floyd Mullinaxes.

Mr. and Mrs. Ottis Charles and Nelda visited with her aunt, Mrs. John Modessette, a patient in the St. Edwards hospital. They also visited with his cousin, Mrs. Jim Laird in her home.

Clement Caffey of El Paso recently visited his family, the Lenza Caffey.

TEXAS CHAMPIONS OF FREEDOM

Lucy Holcombe Pickens

Ambassador of Goodwill and Sponsor of Liberty

A hundred years ago a beautiful and spirited Texas girl so fascinated the rulers of Czarist Russia that she was an honored guest in St. Petersburg's imperial palace for the birth of her first child. The Czar and Czarina stood as godparents and named the baby "Douschka." Translation: "little darling." That Texas girl was Lucy Holcombe Pickens, of Marshall and the East Texas piney-woods, and wife of the American ambassador to Russia.

Home again, with her husband then Governor of South Carolina, romantic legend says that when General Pierre Beauregard was about to begin the bombardment of Fort Sumter, he handed a taper to little Douschka—who touched off the first cannon shot of the Civil War.

But the lovely Texas, Lucy Holcombe Pickens, was to make more history. She sold the magnificent jewels given to her by Russian royalty to equip a Confederate army unit, known as the Texas Division, United States Brewers Foundation, 206 VFW Building, Austin, Texas

Two Chevy middleweights prove their rawhide stamina!

Top hands on high-country hauls!

Ask any trucker who's been over Wolf Creek Pass, 10,850 feet up in the San Juans: a 9-mile pull to the summit and low gear all the way down. Mr. C. H. Phillips of Alamosa, Colorado, has a 6403 and a 6503 Chevrolet truck that are up over this route the year round, taking sheep and beef to pasture, later marketing the stock in Denver. In less than a year, his Chevy middleweights have averaged about 50,000 miles of

work that used to be reserved strictly for bigger rigs. When a truck's built the way a Chevy is, lean-muscled and rawhide-tough, it takes to ugly trails the same way most trucks roll over the highway. It just keeps going, without a big to-do, but looking good every mile of the way. How they do it is your Chevrolet dealer's department. He'll be glad to supply details and specifications on the type of models you need.

Watch Chevy trucks at work out in range country. It's a sight to see the way they pack into high-up mountain pastures and handle through brush and rock like a cowman's favorite cutting horse. Take any truck work for that matter. Chevy middleweights probably handle a bigger variety of jobs than any trucks alive. About anything you name, includ-

Observe Safety In Your Farm Pond

COLLEGE STATION—If you are trying to beat the summer heat by swimming in your farm pond, make sure safety precautions are observed. This will prevent many needless drownings that occur every year, states the Texas Farm and Ranch Safety Council.

Swimming in farm ponds can be hazardous because there is often no supervision and swimmers are often not well trained. To help eliminate this hazard, small children should not be allowed to play in or near farm ponds without supervision. A good rule to establish and enforce is that no one is to swim in a pond unless accompanied by an adult.

You should keep simple rescue equipment close at hand as it may prevent a tragic drowning. A long, light-weight pole, either cane or bamboo, can be extended to a swimmer in distress. A 10-foot plank of light buoyant wood can be shoved from shore or an inner tube can be thrown to a swimmer beyond reach of the pole. With this equipment even a non-swimmer can assist someone in distress.

The Council stresses that rescue equipment should be kept ready for emergencies and not used for play. It should also be kept on the bank not in the water, until it is to be used.

Many of the drownings could be avoided, the Council adds, if parents would teach their children to respect water as soon as they are old enough to understand, and also by teaching them to swim.

Texas Designates November As 4-H Achievement Month

By Robert W. Hoermann
Asst. County Agent

Texas has designated the month of November as 4-H Achievement Month. Plans are being made to hold Milam County's Achievement program during that month.

Adult leaders and 4-H Club members are asked to start making plans for the event. 4-H members may display handiwork, grain, canned goods, etc.

Honors awarded during the program are 4-H Gold Star boy and girl and medals won by 4-H members entering record books on their projects at the county level.

August 15 is the last day for entering 4-H record books in the Texas Awards program. County winning records will be sent to Stephenville where they will be judged for district honors.

4-H Club members should fit and train their animals for Fall Shows. Champions are made at home—not in the show ring.

Whether your animal is in good condition and performs well before the judge, depends on the feed, care and training given weeks before the show.

Plan now for your fall garden. Bulletin 70 "VEGETABLE GARDENING" is available at the county extension office and lists vegetable varieties to plant. Fertilization and insect problems are discussed in the bulletin.

Temperature Ideal For Maize Harvest

"Sunshine and time" was what the farmers asked for this week and they got both in full measure. The near 100 degree temperatures were ideal for harvesting maize. Twelve to thirteen per cent moisture is ideal for storing grain. If the moisture content runs too high, it is necessary to run quite a lot of air through the grain to dry it out.

Officials at the Milam Grain Company estimate that 70 per cent of the maize will be harvested by the end of this week if present conditions continue.

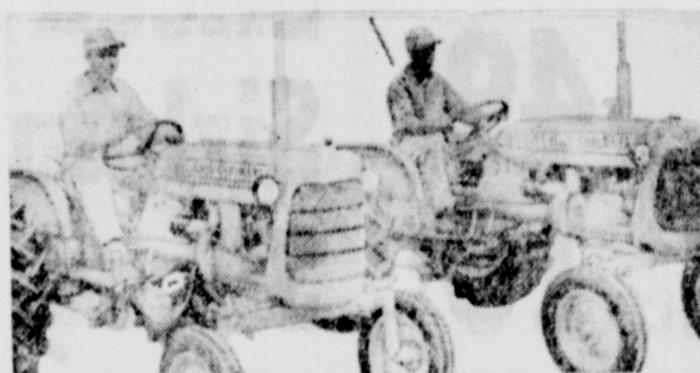

Corn harvest on a limited scale will start the week of August 10-15. The corn crop is better than average and will add materially to the livestock economy of the county. Most of the corn is harvested by machine and much of it is shelled as it is pulled and goes directly to market.

Cotton has not fared to well this week. The recent damp, cool weather was ideal for boll-weevil build-up and that is exactly what they did. The weevils are puncturing the younger, more tender bolls and the extent of damage will certainly be felt.

Yes, insecticides would have checked them but most farmers figured their cotton was about "made" so far as boll set is concerned and most crops will not justify continued poison applications.

The first Milam county bale, so far as we know, was harvested on August 3, in the Clarkson community by Mr. Crook. Light harvest will get underway by the last week in August but most cotton will be harvested in September.

Good Attendance Expected For Poultry Meeting

COLLEGE STATION—Information, inspiration and recreation, all needed to make any meeting a success, have been used by the committee which planned the program for the 36th annual convention of the Texas Poultry Improvement Association to be held in Dallas' Baker Hotel, August 18-20.

The information and inspiration, says Marshall Miller, extension poultry marketing specialist, will be provided by speakers nationally known in their respective fields. They will discuss topics dealing with present problems and also take a look at future possibilities for the poultry industry. A

highlight of last year's convention was the daily seminar on Merchandising Means Motivation. Expected to be no less popular with this year's convention participants are the daily sessions on Sales and Management Counsel to be handled by Ross C. Shannon, Ross C. Shannon and Associates of St. Louis.

Miller says that Shannon's experiences in sales and public relations work should tie in well with the training provided at last year's meeting. Selling, points out the specialist, is a problem that has not been solved to the satisfaction of most agricultural producers. And he continues, selling also applies to services as well as products.

The first day's program will be devoted to turkeys and included will be the naming of the 1959 Texas Turkey Queen and a business meeting of the Texas Turkey Federation. The second day's program will feature eggs and the type of hens which will produce them. Also will be meetings of the Association and the Texas Egg Council.

The final day's program will feature broilers and how new poultry products are introduced to consumers and what can be expected from market research. The annual banquet on Thursday evening will conclude the convention.

County Agent Reports:

Advantages of Defoliation

By J. D. Moore
County Agent

Cotton defoliation is the process of removing the leaves from the cotton plant to facilitate the mechanical harvesting of cotton.

What are the advantages of defoliation? (1) Causes mature bolls to open faster. (2) Reduces boll rot. (3) Destroys late insect infestation. (4) Insures greater yields and better grade with less leaf stain and trash, when mechanically harvested.

There are two types of cotton defoliants — true defoliants and desiccants. A true defoliant is a chemical that causes all the leaves to drop from the cotton plant. Desiccants are defoliants that cause the leaves to dry up on the cotton plant, rather than drop off.

True defoliants are used when cotton is harvested with a mechanical cotton picker. Desiccants are used when mechanical harvesting is done with a cotton stripper. Therefore, this discussion will deal with desiccants.

When harvesting with a stripper is a field successfully defoliated if there is a 90 per cent leaf kill? No, the stripper is going to take everything on the stalk. Ten per cent green leaves can cause much reduction in grade as twenty or thirty per cent.

When should a defoliant be applied? Wait until eighty per cent of the cotton is open. If application is made before cotton is mature, yield may be cut as much as 15 per cent.

When should a defoliant be applied? Wait until eighty per cent of the cotton is open. If application is made before cotton is mature, yield may be cut as much as 15 per cent. This results in low grade, weakened fibers, and immature seed with low germination and low oil content.

When should I start my stripping operation? Wait eight to ten days. The best grade of cotton is obtained when it is allowed to cure in the sun and wind for at least eight to ten days.

What can I do to keep leaves from regrowing and plants from "greening up"? You can add a recommended plant growth inhibitor to your defoliant. Usually 1 pint of low volatile Esteron per acre added to the desiccant will prevent regrowth of cotton.

How much desiccant should be used per acre? On cotton 24 inches tall or under, use one-half gallon of a desiccant diluted with 5 gallons of diesel oil per acre. Use Tee Jet by 2 nozzles, 3-nozzles per row at 40 pounds pressure and 4 miles per hour rate of speed. Cotton over 24 inches tall use 1/2 gallon of a desiccant diluted with 7 gallons of diesel oil per acre. Use Tee Jet nozzles, 5 per row at 40 lbs. or pressure and travel at 4 miles per hour.

Arsenic acid, another desiccant, will be used by many cotton farmers, is available at local dealers. This material will give equal results to the pehta type desiccants and should be handled with a little more caution.

A cotton defoliation guide is available at the county extension office. Farmers are urged to use the proper materials, give the materials, give the materials sufficient time to work in order to properly machine harvest their cotton crop.

Cameron Livestock Report

Thursday Sale

Cameron Livestock Auction had a good market last week as did other markets across the country. The hog market was one of the hottest held thus far at the Auction.

There were 173 sellers and 73 buyers present with 542 cattle and 174 hogs consigned.

Prices paid Thursday were:

STEERS:		
Good Choice Fed Steers		
Yearlings	24.50	26.50
Common to Medium		
	19.00	24.00
COWS:		
Fat Cows	14.50	17.00
Canners and Cutters		
	11.00	13.00
Stocker Cows	17.00	UP
BULLS:	17.00	21.50
CALVES:		
Good Choice Slaughter		
Calves	25.50	27.75
Common and Medium Kinds		
	22.00	25.50
Culls	19.00	UP
Good Choice Stocker Steer		
Calves	30.00	32.50
Heifers	29.00	DOWN
Medium to Good Stocker		
Feeder Steers	21.00	25.50
COWS AND CALVES:		
Good	225.00	250.00
Medium	175.00	225.00
Plain	150.00	175.00

For 2 years we've supplied you with quality PURINA CHOWS... NOW WE BRING YOU Purina-Approved CHECK-R-MIX SERVICE

During these years it has been our privilege to supply this community with world famous Purina Chows.

Now, through the addition of proper grinding and mixing equipment, we can also offer Purina-approved Check-R-Mix Service.

This means we can help you take advantage of "The Purina Way to Make YOUR Grain Pay!" Bring us your grain. We now can grind and mix it with the RIGHT AMOUNT of the RIGHT CON-

CENTRATE to build efficient Check-R-Mix livestock and poultry rations for you at low out-of-pocket cost.

Back of our Check-R-Mix emblem is the nation's most experienced grain-balancing program. The same research facilities that govern the formulation of Purina Chows are available to produce Purina Concentrates and spell out the farm-tested Check-R-Mix mixing formulas which assure efficient rations from your grain.

"A RATION IS NO BETTER THAN ITS CONCENTRATE"

Quality concentrates, MIXED RIGHT, make quality rations. Here are just a few of the famous Purina Concentrates available through our new Check-R-Mix Service.

For COWS

COW CHOW CONCENTRATE is more than a "protein supplement." Makes a milking ration which feeds the cow as well as the calf.

For STEERS

With or without stilbestrol, steer rations made with **PURINA STEER FATENA** help feedlot cattle make fast, profitable gains.

For HENS

PURINA CHICKEN CHOWDER makes both quality growing rations and peak efficiency laying feeds, depending on how it's mixed.

For HOGS

PURINA HOG CHOW makes Check-R-Mix rations which turn out market weight hogs in less than 5 months when fed the Purina Way.

The marriage will take place this fall in Washington. Mr. Jistel is serving with the United States Navy.

Kitchen Shower Honors Miss Kelly At Graves Home

Mrs. George Graves honored Miss Dorothy Kelly, bride-elect of Brann Allison of Buckholts, with a kitchen shower Thursday evening at her home on East Seventh Street.

The dining table covered with a linen cloth, was centered with an arrangement of pink sweetheart roses with a styrofoam silver covered wedding ring as the attractive background.

Mrs. Jimmy Rave Colburn Hendee registered the guests in the bride's book. Mrs. H. L. Allison served the punch and Miss Mary Alice Porter, aunt of the honoree served the wedding ring cake.

Mrs. Leona White conducted a game and Miss Helen Reid gave a clever reading. She then presented the honoree with a tea cart of gifts for her kitchen.

Out of town guests for the party included Mrs. R. A. Allison, Mrs. H. L. Allison, Mrs. H. L. Sellers of Buckholts and Miss Mary Alice Porter of Austin.

Mrs. Collins Visits Here

Visitors in the home of Mrs. Jennie Matula this week end were Mr. George Matula, Miss Kathy Hartfield, Mrs. G. G. Collins Jr. and Sherry Collins, all of San Antonio.

Mrs. Collins and Sherry have just returned from an extensive tour of Europe. They toured Holland, France, Switzerland, Germany, Denmark, and Sweden. They especially enjoyed the snow-covered mountains in Switzerland. While in Denmark, they were guests of Miss Betty Collins who is employed by the American Embassy in Copenhagen.

Dinner Party Honors Mrs. Ennis Rentchler At Texan Cafe

Mrs. Ennis Rentchler, Service Representative for the Southwestern Bell Telephone Company, in the Cameron Business Office, was honored at a dinner party last Friday evening, the occasion being her 35th Service Anniversary. The party was held at the Texan Cafe.

Mrs. Rentchler was presented a certificate for 35 years of continuous service and her 35 year service Emblem. The awards were made by F. L. Bowman, District Manager from Austin.

In addition to her awards, Mrs. Rentchler was also remembered with other lovely gifts from her friends and co-workers.

Mrs. Rentchler joined the telephone company here in Cameron as an operator in August, 1924, and has held various positions during her many years of service. In December, 1928, she transferred to the commercial department as a cashier, in May, 1936, she returned to the traffic department and

was promoted to chief operator at Lampasas. In August, 1942, she was appointed Chief Operator at Camp Hood, from there she went to Austin, and was clerk to the District Plant Superintendent.

In March, 1944, she returned to the traffic department in Cameron and in July, 1956, transferred to the business office as service representative, the position she now holds.

CAMERON, TEXAS' HERALD, AUGUST 13, 1959 Page 5

Miss Anita Archer Awarded Scholarship

FORT WORTH—Miss Anita Archer of Cameron has been awarded a scholarship at Texas Christian University beginning with the fall semester in September.

The grant is in the amount of \$300 a year.

Miss Archer, who will be a junior at the University in the fall, is a

speech theatre education major in the School of Fine Arts and a member of the Fallis Players, student drama society.

A 1957 graduate of Yoe High School, she is the daughter of Mr. and Mrs. B. L. Archer, 702 East Tenth, Cameron.

The Go-Go-Go Man...

The most enlightening thing about Vice-President Richard Nixon's Sunday TV resume of his Russian visit was confirmation of Nikita Khrushchev's cockiness.

The film-narrative about Nixon's tour of Russia and Poland illustrated Khrushchev's love for a fight though only verbal.

Most interesting was the reaction of Russian and Polish people toward America's No. 2 man. A quarter of a million lined 15 miles of streets in Warsaw and countless thousands met Nixon throughout his Russian jaunt.

Nixon found Khrushchev willing to throw away the rule book when the time came for talks on policy. "He likes to get down to brass tacks," Nixon said. Diplomatic exchanges with lesser Soviet lights lasted a planned one hour, but discussions with Khrushchev extended as long as six and one-half hours.

Khrushchev's brass was apparent throughout. Nixon found out he did not like "captive peoples" resolutions, U. S. bases in Europe and any other action infringing on international Communist imperialism.

ONE—As much as we would like to, that's the Soviet people are not bent on overthrowing the Communist regime.

TWO—That Nikita Khrushchev can hardly be a friend of the West and remain the dominant factor in totalitarian Communism.

THREE—That any top-level peace talks with the fiery dictator will be a battle of wits dimmed by cultural backgrounds as diverse as night and day.

President Eisenhower will be hosting a super-aggressive man when he meets Khrushchev in this country.

It is well that they can discuss hopes for Cold War peace, but the administration should guard closely against this bold fellow's accepting the key to the city of Washington and taking the White House with it.

Crops Look Good...

Milam agricultural experts are talking enthusiastically of one of the best crops in recent years as maize and corn continue to roll in.

Consensus on prospects for the cotton yield is a 20,000-bale crop "if there are no heavy rains and overflows."

For the past three falls, countians have been looking for the conditions that seem to prevail this year. Each year maize production has increased, but other crops like cotton have fallen short.

But last year's 8,000-bale low may be forgotten if good things continue.

We are looking for a good fall with the same enthusiasm of previous years. And it seems the elements are justifying confidence in the future of Milam County's farm production in 1959.

The Little River Philosopher

Has Novel Idea Of What To Show Khrushchev On Visit To U. S.

Dear editor: Right now, me and Washington are doing a lot of thinking and planning about the forthcoming visit of Premier Khrushchev, the Russian Dictator, but we're thinking and planning in exactly opposite directions.

Here's the situation: Khrushchev has never visited the United States before, all he knows about the country is what he's heard, and he's heard that from his fellow-Russian propagandists who are notorious for telling about how down-trodden we are over here, how half the country is starving, and all the wealth is owned by two or three families.

And a bunch of Washington thinkers are getting ready to open his eyes. For example, Khrushchev says he wants to visit an American farm. What will the Washington experts do? They'll pick out a big modern farm, owned by a man who's probably a bank director or a grain dealer on the side and has the last word in equipment and Khrushchev will look it over and go back home and tell his slaves, all right, get to work harder. America is way ahead of us in agriculture.

Now what Washington ought to do is pick out a farm that's well, a farm sort of like mine, all right, pick out mine, and let Mr. Khrushchev come out here and look around. Let him see a pasture full of weeds, fences that're falling down, crops over-run with Johnson grass, bony cattle, a 20-year-old tractor with two flat tires, etc.

Then Mr. Khrushchev will go back to Russia and say, Take it easy, we got nothing to worry about, American agriculture is on its last legs, we got em whipped already.

This is a fine opportunity to win a great propaganda war, but I'm afraid Washington's not up to this type of advanced thinking. What it'll do is try to dazzle him, and it will, but he won't resign his job and take up residence here and join the Republican party. What he'll do is go back home and drive his slaves harder.

But if Washington should switch and decide to show Mr. Khrushchev my farm, let me know in advance. I want to let the air out of the other two tires on my tractor.

Yours faithfully, J. A.

Capital Report:

Quiet Settles After Hubbub

By Vera Sanford

AUSTIN—Quiet has settled over Texas' Capitol Hill after 292 days of hubbub.

As legislators packed up to go home, directors and employees of state agencies were filling scratch pads with figures. For most state-supported activities, the new budget which goes into effect Sept. 1 will mean more funds. Altogether, \$300,000,000 more.

There were some disappointments, of course, in the appropriations bill. Many programs got less than had been asked for, some salaries were cut, and there were riders and restrictions in other activities.

But, overall, there was more relief and rejoicing than tears and complaining. Most seemed to regard the new budget as the best that could be hoped for in such a "hard year."

For their parts, lawmakers were eager to get home and "mingle with the folks." Ahead lie probable showdowns on new spending for welfare and public schools, and, always, the itching up every two years in general spending.

Budget Breakdown Texas' new record high budget of \$2,418,930,000 was reported after 95 days of haggling in a conference committee.

But once out, it zipped through both houses, with only 8 dissenting votes in the Senate and a 10-40 vote in the House.

Spending from the general revenue fund, the state's multi-purpose housekeeping kitty, totals \$222,890,000. This is up \$12,369,000 from the present biennium.

To show how hard up the state was, more than 56 per cent of total general revenue spending—or \$125,000,000—will have to come from the new tax bill passed this session.

Here's how the pie was finally sliced on major items:

PUBLIC SCHOOLS—Received an appropriation of \$774,904,500, an increase of about \$25,000,000, mostly because school spending has an "escalator clause" which ties it to enrollment.

HIGHER EDUCATION—Got the biggest increase from the general revenue fund of any program. It was boosted by more than \$12,000,000 to a total of \$130,933,424 for the state's 18 tax-supported colleges and universities. Increase was only about half what was asked by the Commission on Higher Education.

University of Texas officials saw one of their fondest dreams come true in that the "available fund" (income from the University's permanent fund) was left free for buildings and "excellence" programs.

HOSPITALS, SPECIAL SCHOOLS, YOUTH COUNCIL—Allotted a total of \$90,456,554, an increase of \$6,348,252.

This is to be used to improve

medical care in state hospitals and to build a new mental hospital at Denton, a new dormitory for delinquent boys at the Gatesville School and a new building at the Gainesville School for Girls. It will also cover some salary increases and cost of some repair and remodeling in the vast hospital and school systems. It does not allow for setting up the juvenile parole system ardently desired by the Youth Council and recommended by Gov. Price Daniel.

STATE EMPLOYEES—Lower bracketed employees, from \$2,400 to \$6,700 annually, will get a \$100 a year raise. It's not a lot—\$15 a month more in the employees' pay envelopes—but it will cost the state about \$14,503,599 for the two years.

JUDICIARY—Will receive \$9,336,799 from general revenue, a \$112,779 increase. Most of this goes for new district courts plus briefing attorneys and secretaries for the Supreme Court.

PRISON SYSTEM—Operating budget increased by \$2,209,000 plus \$7,729,000 to provide additional buildings for a prison population soaring toward 11,000.

LIVESTOCK DISEASE—A new program to control brucellosis was tabbed for \$239,950, considerably under the \$2,170,000 requested.

STATE ADVERTISING—State Highway Department was authorized to use \$100,000 to lure tourists and the Texas Industrial Commission \$20,000 to seek new industries.

CONSTITUTION—Texas Legislative Council was given \$50,000 for a study of the State Constitution with a view to revising it.

20 Years Ago

Sharp's new \$74,000 school building was destroyed by fire. J. E. Johnson, architect, said the fire was probably caused by spontaneous combustion.

A sword worn by the late Mitt Livingston, Confederate soldier, was presented to the local Post of Veterans of Foreign Wars by Emmett W. Streetman, himself a veteran of a foreign war.

James W. Smith, negro farmer of Gause was awarded top farming honors at the fifth annual conference of the Association of New Farmers of America held at Bordentown, N. J.

A report showed that 682 bales of cotton of the 1939 crop had been ginned.

Merchant left Cameron for a visit to his old home at Abbeville, S. C. Mary Katherine Lawrence, a grand daughter accompanied him.

Mr. and Mrs. W. O. Newton enjoyed an eleven day trip through La., Miss., Ala., Ga., Tenn., and Fla.

Are You Watching For Megaloppyes?

We don't know how you feel about it, but we're watching out this year for those nasty megaloppyes (opercularis). For those of you who don't have an entomology textbook handy — that's a moth, commonly called "asp" or "puss caterpillar" in the larval stage.

These brown or grey, semi-crescent shaped larvae may become extremely abundant, feeding

united in the city of Gause.

I. B. Bullock to Hurley E. Talbott et ux, \$350 consideration. Lot and parcel of land being out of the T. S. Arnett Survey.

Alex McLeod to Mrs. Irene Weems, \$10 and other considerations. South one-half of Lots 13 and 14 of the Pearson Subdivision of Block 116 of the City of Rockdale.

A. L. Lucas et ux to F. F. Koehler, 110 and other considerations. Lot and parcel of land out of the T. J. Chambers Grant.

Lettie Minerva Riggs to Imogene Sanders and Sue Sanders, \$1 and other considerations. Two tracts of land in the Jose Leal Six-League Grant.

Mrs. Maude McDermott to J. W. Smith et ux, \$10 and other considerations. Tract of land out of the Stirritt Dobbins One League Survey.

Smithers Jackson et ux to Ina B. Mann, et vir, \$10 and other considerations. Two tracts of land out of the W. W. Lewis League.

Henry Renfro et al to Forrest Wells, \$10 and other considerations. Tract or parcel of land being out of the James McLaughlin Grant.

W. T. Pearson Jr., to J. E. Sonntag, \$3,500 consideration. Lot and parcel of land being out of the T. J. Chambers Survey.

on the foliage of a variety of trees and shrubs.

Schools have experienced difficulty in the past as a result of the prevalence of the insects on school yard trees. They represent a very real problem to householders during warmer months.

The large number of requests for information concerning the "puss caterpillars" now being received by Texas State Department of Health entomologists indicates a population peak of these insects.

Everyone should familiarize themselves with the appearance and medical importance of these stinging caterpillars. Children, in particular, should be warned to avoid them.

Individual reaction to the stings varies greatly, dependent upon many factors such as age, sensitivity status, size of caterpillar, area of skin involved and the amount of pressure on contact.

A mature larva dropping from a tree into a person's shirt or blouse and mashed against the skin in several places before being retrieved would likely cause a much more painful condition than the simple act of brushing an exposed arm or leg against a small specimen.

A burning pain is felt almost immediately on contact. Small, raised, whitish spots appear, later

Fund Distribution

Over \$5,500,000 has been obligated to Plains Farmers and ranchers under the Great Plains Conservation Program, reports Lynn Pittard, extension assistant soil and water conservation specialist. Range work accounts for over half of the fund distribution.

becoming red. The inflamed area may spread for several inches accompanied by swelling. The resulting skin reaction frequently lasts for several days. Further systemic symptoms may arise of an allergic nature.

CAMERON, TEXAS' HERALD, AUGUST 13, 1959 Page 7

If illness develops, a physician should be promptly consulted. For localized reactions a sodium bicarbonate soak or one of the many soothing lotions and ointments may help to relieve the itching.

If you need to kill them out, a spray made up of lead arsenate (two tablespoons per gallon of water) or 50 per cent wettable DDT (two teaspoons per gallon of water) will probably prove successful.

OUTSTANDING ACCEPTANCE FOR THE CAR THAT STANDS OUT

THE LARK BY STUDEBAKER

Why are people flocking to The Lark in unprecedented numbers? Because The Lark is the only car that gives people all they really want in transportation today. Outstanding price — The Lark V-8 is the lowest-priced V-8 on the market. Outstanding design — three feet shorter than other cars, with room inside for six in spacious comfort. Classic Lark styling is designed to minimize year-to-year depreciation. Outstanding performance — in the Mobilgas Economy Run, The Lark V-8 topped all V-8's with an amazing 22.28 miles per gallon. The Lark 6 did even better.

At New Cameron Drug

Best Prescription Service

Earl Curtis, owner of New Cameron Drug, points with pride at his outstanding prescription center where a complete fresh supply of anti-biotics and drugs are always available.

New Cameron's prescription service also includes direct lines to doctors offices for fast, efficient prescription service when time is of utmost importance and registered pharmacists.

Curtis, a graduate of the School of Pharmacy, University of Texas has received national awards for

his merchandising and pharmaceutical work from Rexall Drug Co., drug distributors. They include a plaque for outstanding merchandising in drug business and a copy of an ancient mortar and pestle of the early 15th century.

In addition to its up-to-date prescription center, New Cameron Drug offers a wide selection of recently expanded facilities.

Another exclusive feature at New Cameron Drug is their Milam Voucher Plan.

"Premium vouchers may be

earned with any purchase at New Cameron Drug", Curtis says, "and a list of gifts with the amount of premiums needed are available at the store."

He adds, "Buy at home - save at home - and earn prepared drugs with the famous Rexall label and a wide line of gift items. Rexall products are nationally advertised, Curtis points out.

Also featured are a wide line of cosmetics including Revlon, Dorothy Grey and Cara Nome

Top Staff At Pearson's

Earle Pearson Chevrolet, 100 S. Travis, Cameron, has a competent staff of Chevrolet service and sales personnel who have lived and worked in Milam County most of their lives.

Pearson's sales force includes Larry Hackbeil, veteran Chevrolet service manager, who now represents Pearson Chevrolet in selling service and new and used car sales. In the past 25 years, Hackbeil has gained valuable Chevrolet experience in Milam County.

Also on the sales staff is Carroll McElwath, a graduate of Yoe High School and student at Texas

A&M who has gained nine years of automotive selling experience.

Parts manager Joe Lee Heitman, a Yoe High School graduate has been working at Pearson Chevrolet since attending Durham's Business School in Austin. He has attended the latest schools on parts and customer service for accurate parts service.

Assisting Heitman in the expanded parts department is John Johnson, YHS graduate, who worked with his father in the cabinet business and at a local service station before joining the Pearson Chevrolet staff.

Head of the service department

is Doug Morgan, recently moved to Cameron from Johnson City. He has had 25 years of automotive experience including 10 years as service manager of a Chevrolet agency in Johnson City. He has attended schools on transmission, turboglide and Powerglide, carburetion and motor tune-up courses.

A top mechanic is Lawrence Jetter, Rosebud High School graduate, who has been with Pearson Chevrolet for two years. With both local and navy mechanic experience, he specializes in air conditioning service and body alignment.

Stedman Co. Ford Tractors Are Dependable

You get power you can depend on with Ford Powermaster tractors available at Stedman Tractor Co., Cameron, according to H. H. Stedman, agency owner.

Stedman points out that his tractor agency features sales and service on all Ford tractors and field equipment and New Holland balers, rakes and mowers.

His company also handles the famous Maytag gas range, washers, dryers and conventional washers. Another product well-known for its efficient operation, Stedman says, is Toro Lawnmowers.

"We have operated a Ford tractor agency since 1946 on the basis of fair price on all our farm equipment, good trade-in allowances on used equipment and the best Ford farm equipment repair in Central Texas."

Melvin Dornier, native Cameronite, has joined the Pearson staff recently to open a paint and body shop department. Pearson's now offers 24-hour wrecker service and first quality work through his 13 years of experience.

Rounding out the staff are Joe Taylor, lube technician and mechanic's helper and Oliver Blaylock lube and wash man.

CITATION BY PUBLICATION

THE STATE OF TEXAS
TO ALL PERSONS INTEREST-
ED IN THE ESTATE OF Clinton
J. Fuller, Deceased. No. 4513,
County Court, Milam County, Tex-
as. Clifford J. Fuller Administrator
in the above numbered and en-
titled estate, filed on the 4th day
of August, 1959 his verified ac-
count for final settlement of said
estate and requests that said es-
tate be settled and closed, and
said applicant be discharged from
his trust.

Said application will be heard
and acted on by said Court at 10
o'clock A.M. on the first Monday
next after the expiration of ten
days from date of publication of
this citation, the same being the
17th day of August, 1959, at the
County Courthouse in Cameron,
Texas.

All persons interested in said
estate are hereby cited to appear
before said Honorable Court at
said above mentioned time and
place by filing a written answer
contesting such application should
they desire to do so.

The officer executing this writ
shall promptly serve the same ac-
cording to requirements of law,
and the mandates hereof, and
make due return as the law di-
rects.

GIVEN UNDER MY HAND AND
THE SEAL OF SAID COURT at
office in Cameron, Texas, this 4th
day of August, A. D. 1959.

Clerk of the County Court,
Milam
County, Texas.
By Leo J. O'Neill
Deputy

19-1tc

If you are trying to make money
out of hogs, keep them cool, says
T. D. Tanksley, extension animal
husbandman. When the tempera-
ture is 90-100 degrees a hog eats
twice as much to put on the same
gain as he does when the tempera-
ture is 60-75 degrees, he adds.

James J. Ernst

Receives Discharge

James J. Ernst, son of Mr. and
Mrs. Leon Ernst Sr., Rt. 3, Rose-
bud, received his honorable dis-
charge from the United States Ar-
my recently.
He received his basic training
at Ft. Carson, Colo., served six
months in the U. S. and eighteen
months in Augsburg, Germany.
Ernst is a 1956 graduate of Yoe
High School and Durham's Busi-
ness College, Austin.

Oregon Brucellosis Area

Oregon has become the 20th
state to be declared a modified-
certified brucellosis area, announ-
ces the USDA. Brewster, Jeff Dav-
is and Presidio are the only coun-
ties in Texas which are modified
certified free.

Rates, Billets Open For Navy Veterans

Ten different rates and 107 enlisted billets are now open for Navy Veterans and new recruits at the Naval Reserve Training Center, 41st and Maple. Members get one day's pay for each drill attended and get full pay, allowances and travel expenses for two weeks annual training duty. Other benefits include promotion opportunities and retirement with pay after twenty years service. Non-veterans may serve their military obligations by participating in drills and annual training duty.

TELEPHONE TALK

by C. L. Carson, Manager

NEW DIRECTORY GOES TO PRESS SOON

Is your name in the directory as people know you? Other members of your family will like the conveniences of individual listings in the telephone directory, particularly if their last names are different from yours. I point this out because very frequently someone tells me some of their friends could not reach them because they didn't find their name in the directory.

Your business customers will find you easier and faster in the telephone directory if you have extra business listings.

Call the telephone business office today and order extra listings for your business... or for other members of your family. The charge for residence listings is 30c per month, and business extra listings are 75c per month. But hurry! The new directory goes to press soon.

A NEW HAT OR COLOR PHONE

A friend of mine remarked the other day that August is a pretty hectic month around his house.

The kids are getting a little restless for school to start even though they'd never own up to it. And this restlessness doesn't exactly help his wife's attitude, either.

I know how restless the small fry can get, and it's hard to solve that one. But I did have a tip to offer my friend that would perk up his wife's morale.

"Since it's too early for her to buy a new Fall hat," I said, "why not order an extension telephone in her favorite color."

The happy ending to this story is that he perked up his wife's morale and brightened their kitchen with a new color telephone.

P. S. It was an easy sale, because my friend is like most men. He's not exactly crazy about women's hats.

THE CALL THAT'S APPRECIATED

About this time of year, most of us are back from vacation with memories of good times fresh in our minds.

I've always thought that the best way to relive a summer vacation - and be courteous at the same time - is to call the people who helped make your vacation so much fun.

If you spend it with other members of your family, they'll be glad to know you arrived home safely. If you vacationed with friends, they'll enjoy hearing your voice again.

So why not make the call tonight that's really appreciated? Rates are lower after 6 p.m., and you can talk longer for less by placing your call station-to-station.

Call by number. It's twice as fast.

SOUTHWESTERN BELL TELEPHONE COMPANY

Outdoors In Texas:

Use 'Go-Koolers' On Trips

By Vern Sanford

Most of us who fish usually take along an ice chest or two. Generally, however, because they are bulky, they are placed in the car first and other gear is stacked on top of them. Then if we want a cold drink along the road we stop at a service station and buy it.

I've just found a better way! Weber puts out a dylite cooler that fits perfectly between the car's front seat and the dash, riding on the hump.

With this chest in place you always have a cold drink or food handy.

But here is another idea that works well with these Go-Koolers. Before you leave home fill some milk cartons, or half-pint size ice-cream containers, with water. Place them in your deep freeze overnight. By the time you are ready to leave they will be frozen.

Then place these frozen water cartons in your Go-Kooler.

This serves a dual purpose. In the first place, if you carry food or bottled beverages, the ice in the cartons will keep everything cool without being messy. The melting ice stays in the cartons and does not dampen food that is in the Go-Kooler. Secondly, as the ice melts you have cold water to drink that is your own, hometown water.

This Weber Go-Kooler is especially handy where there are children. Kids are always wanting a drink.

Nitrogen Is Advised For Maize Stubble

An application of nitrogen to grain sorghum stubble prior to plowing it under will prevent a nitrogen shortage for the crop which follows, says W. F. Bennett, soil chemist for the Texas Agricultural Extension Service.

The chemist suggests that stalks be shredded as soon after harvest as possible. An application of 20 pounds of nitrogen for each ton of residue to be turned under should be made just prior to the plowing. Where nitrogen is not applied, and stubble is left in the field until late in the year, the decomposition process will tie up the available nitrogen in the soil and often cause a nitrogen shortage for the following crop.

By using nitrogen and early shredding and plowing of stubble, this condition can be eliminated, says Bennett. Too, the nitrogen in the soil will be available for use by the crop which follows the grain sorghum.

Bennett cautions against the use of more nitrogen than the crop which is to follow can use. In no case, he adds, should more than 60 pounds of nitrogen be applied per acre. Generally, he says, about 30 pounds of nitrogen per acre will adequately take care of the residue to be plowed under on most Texas farms.

Because it's extremely light in weight, small in size, and very efficient, the Go-Kooler is most practical for the tourist as well as the fisherman.

Once at the fishing site the Go-Kooler can be used to cool down drinks at the camp or in the boat. Or if needed, it makes an excellent minnow bucket!

Women Take To Tournaments

Most of the fishing tournaments have been completed. If nothing else, they have proved that fishing is no longer for men only. Women anglers with some of the top honors.

You will remember that Elaine Vickers, an attractive housewife have come away from these tournaments.

Services Held For Mike Coleman, Former Resident

Funeral services were held Sunday at the First Methodist Church, Cameron, for Mike Coleman of Gallup, New Mexico, formerly of this city. Mr. Coleman died Friday in a Wichita Falls hospital.

Rev. E. J. Davis officiated at the services and burial was in the family plot in Oak Hill Cemetery.

Mr. Coleman, a native of Cameron, graduated from Cameron High School and Texas A&M College. He was connected with the Sam Hefley Show and later was co-owner of the Coleman Chevrolet Company. In Gallup, he was an employee at Gallup Electric Co. He was a member of the First Methodist Church, Past Worshipful Master of Lebanon Lodge No. 22, a 320 Mason, a member of the Shrine, Albuquerque, N.M. and Scottish Rite Order, Santa Fe, N. M.

In 1934, he married Miss LaVerne Bowmer.

Survivors include his wife, Mrs. LaVerne Coleman, his mother, Mrs. C. E. Coleman, one sister, Mrs. Ruth Rossen, Cameron and one niece, Miss Susan Rossen. Pallbearers were Masons.

Billie E. Caffey, 10 Fatally Injured In Tractor Accident

Funeral services for Billie Earle Caffey, 10, son of Mr. and Mrs. Ralph Caffey of Sharp were held 4 p.m. Monday at Phillips and Luckey Funeral Chapel, Rockdale.

Burial was in the Old Fellow Cemetery.

Young Caffey was run over by a tractor at his home Sunday afternoon.

Survivors include his parents; two brothers, John Robert Caffey, Rockdale, and Sanford N. Caffey of Fort Knox, Kentucky; two grandmothers, both of Rockdale.

Maysfield: B. Dodsons Here From Kansas. Visit Parents

By Mrs. J. P. Wise

Mr. and Mrs. Billy Dodson and daughter of Olathe, Kansas arrived Sunday for a visit with her parents, Mr. and Mrs. Jess Weathers. Mrs. Dodson and daughter remained for a longer visit.

Mr. Will Brown is a patient at John Sealey Hospital in Galveston.

Mr. and Mrs. Douglas Gunn and son of Dallas visited her parents Mr. and Mrs. Delbert Sapp last week end.

Miss Jam Thweatt of Waco visited home folks during the week end.

Mr. and Mrs. Alvin Thompson and children of Houston are visiting her brother Johnny Yates and family.

Mrs. A. D. Brown and sons of Houston and Mrs. Paul Kicke and daughter of Austin visited their parents, Mr. and Mrs. John Thweatt and Wayne last week.

Mrs. Roy Newton and Mrs. W. C. Cooper shopped in Temple Tuesday.

Mr. and Mrs. Hal Armistead of Dallas visited her parents, Mr. and Mrs. John Thweatt Sunday.

Mike Massengale of San Antonio is visiting in the homes of Mrs. H. W. Massengale and Leroy Massengale.

Reportable Diseases

Reportable diseases in Milam County for the week ending August 3 were: 26 strep throat, 1 measles and 2 gonorrhea according to Dr. T. E. Crump, acting director of the Milam County Health Department.

Mrs. Joe Hawk and Butch joined Mrs. Bob Todd and Robert of Bryan Tuesday for a visit with Mrs. Todd's daughter and family. Mr. and Mrs. Don Bradshaw in Austin. They returned home Friday.

Ed Liermans Feted On 25th Anniversary

Mr. and Mrs. Ed Lierman, of Rt. 3 Rosebud, celebrated their 25th wedding anniversary at the Clarkson School, August 1.

Mrs. John Matyasik registered the guests. Rev. Gerald R. Cobb read a prayer.

The three-tiered wedding cake topped with white and silver icing was based by his sister, Mrs. Oscar Kaufus, Temple.

One hundred twenty-five family members and friends attended from Anton, N. Mexico, Lubbock, San Angelo, Ben Arnold, Falfurrias, Temple, Manor, Rosebud, Waco, Burlington and Cameron.

Weather -

(Continued From Page 1)

the late morning a few scattered and quite weak cloud build-ups forming after 10:30 a.m. High 94-96. Low 74-76.

THURSDAY: Rapidly increasing humidity and increasing cloudiness in the afternoon. Rising temperatures and brisk Southeast winds 12-16 during the day and 6-8 mph during the evening. High 99-101. Low 76-78 (80 per cent chance of scattered late afternoon thundershowers east of the area with sprinkles in the San Gabriel-Brazos Valleys). Clear skies in the late evening.

Wrecks -

(Continued From Page 1)

Officials said Moraw was turning left in his pickup which was towing two trailers, when the collision occurred. Both vehicles were going north.

Damage to the Richardson vehicle was estimated about \$600 while damage to the Moraw vehicle and trailers was negligible, officials said.

Moraw was issued a ticket for failure to give a left-hand turning signal.

Neither man was injured.

Mrs. George Logan of Rosebud and Mrs. Julia McCollum were in Burlington Monday enroute to Cameron where Mrs. McCollum visited her parents Mr. and Mrs. R. W. Tubbs. Mr. Tubbs is to undergo an operation in Waco Monday. Mrs. Logan visited Mrs. Charlie Terry.

Mr. and Mrs. Richard Williams left today for Mexico where they will enjoy a 10 day vacation in Mexico City and Acapulco.

Richard Angelico, son of Mr. and Mrs. B. N. Angelico of New Orleans, La., and Miss Mary Alice Duncum, daughter of Mr. and Mrs. M. C. Duncum, Cameron were elected Mr. and Miss Camp Sunset by their fellow campers at Fort Parker State Park, Grosebeck, last week. Camp Sunset is operated as a Christian Youth Camp by the Churches of Christ.

Hughes Moves To Fannin Location

Hughes Paint & Supply Store has completed a move to new quarters at 202 N. Fannin.

The decorator's shop opened its new 1800-square-foot building last week.

Also located in the building at 202-A N. Fannin is the county Soil Conservation Service offices.

Owner Stanley Hughes, local contractor, purchased the property for merely a gasoline station.

Interior decoration includes mahogany, glass, aluminum and brick. The one-story building outside is decorated in brick, tile and painted a modern yellow.

The store handles a line of paints, wallpapers and decorating materials.

Hughes opened a store on the courthouse square in March, 1958, before building the new structure.

Besides a display room, the building has a stock room, SCS offices and offices for Hughes.

Mrs. C. Burke Feted At Surprise Party

Mrs. Charlie Burke was honored last Friday night with a surprise birthday party at her home on North Fannin.

Hostess was her daughter, Miss Peggy Burke and co-hostess was Miss Kay Camp.

The table was covered with a white cloth and centered with the birthday cake. The cake was decorated to carry out a golf theme.

Refreshments of cake, ice cream and coffee were served to the guests.

Miss Faye Angell Is Honored At Shower Friday Afternoon

Miss Faye Angell, bride-elect of Roger Gwartney of Texarkana, was feted at a miscellaneous shower Friday afternoon from 3 until 5, at the home of her grandmother, Mrs. L. C. Boyd, in the Walkers Creek Community.

Mrs. Gene Angell, sister-in-law of the bride, was co-hostess.

The dining table, covered with a white net over blue cloth, was centered with a bouquet of white mums entwined with blue wedding bells. On the mantle in the living room bouquets of white mums were centered around candles.

Gifts were displayed in boxes decorated in the brides colors, blue and white.

Miss Peggy Hightower registered the guests on a table covered with a blue linen cloth which held a bouquet of mums. Miss Hightower and Mrs. Angell assisted in the serving of cake and punch.

tered with a bouquet of white mums entwined with blue wedding bells. On the mantle in the living room bouquets of white mums were centered around candles.
